HAPPY NEW YEAR 2023

UNDER CONSTRUCTION

BIG CHANGES!

We are excited to announce that Gulf Coast FCU is continuing to evolve! We are updating our banking platform to better serve our members and provide enhanced products and services. Extensive months of planning have gone into the selection of our new platform, and countless hours are going into implementing it. Our motivation is knowing that this upgraded platform will make your everyday financial life better.

Why are we upgrading? We have had our current banking platform since 2002, that's 20 years! Technology has progressed and we want to offer our members an improved financial experience. We ask for your patience as we undergo this major but future rewarding change.

Important dates! January 28, 2023, through January 31, 2023, all loan processing will be delayed along with funding as we prepare for the conversion. We will be closed February 1st & 2nd, 2023. All branches, drive-thrus, ATMs, and online banking will not be available. We ask that you plan accordingly for the two days that we will be closed. Our new and improved banking platform will be live on February 3, 2023, and all branches will open regular business hours.

With the change to our new core, we will be unable to add new members to our OP Repayment Plan after January 10, 2023. We hope to be able to offer our members a similar program later in 2023.

With all this thrilling news we ask that you update your contact information including email and home address. Visit one of our branches or contact our call center at 361-980-8203. Visit our website www.ccgcfcu.com and follow us on social media @gulfcoastfcu for more information.
